I wake up in the morning,
All think about is you, its true.
I look into my mirror and all I see is you,
And I wonder why I feel this way,
When nothing feels so right,
Like the day that you are mine.

And I cant fight this feeling anymore.

Say hey, I wont walk away,
And I will always fight to save our day.
Say hey, I cant walk away and
I just hope that you come back some day,
Baby I wont walk away.

Been hiding in the shadows of
What we used to be, so it seems.
Living in a day dream,
I wish it could be true.
Still wondering why I feel this way,
Nothing feels so right,
Like the day that you are mine.
And maybe I'm in love,
Maybe I'm in love.

Say hey, I wont walk away,
And I will always fight to save our day.
Say hey, I cant walk away and
I just hope that you come back some day,
Baby I wont walk awaay..

I wont walk away, oh no, oh no I wont walk away.
I'll be here..

Oooh...

Say hey, I wont walk away,
I will always fight to save our day. Yeah.
Say hey, I cant walk away and
I just hope that you come back some day,
Ooooh..

Hey, I wont walk away,
I will always fight to save our day, yeah,
I wont walk away,
I wont walk away,
No I wont walk away,
I wont walk away.
