Split me open
With devotion
You put your hands in
And rip my heart out
Eat the music

Does he conceal
What he really feels?
He's a woman at heart
And I love him for that
Let's split him open

Like a pomegranate
Insides out
All is revealed
Not only women bleed

Take the stone out
Of the mango
You put it in your mouth
And pull a plum out

Take a papaya
You like a guava?
Grab a banana
And a sultana
Rip them to pieces
With sticky fingers
Split the banana
Crush the sultana

Split 'em open
With devotion
Put your hands in
And rip their hearts out

Like a pomegranate
Insides out
He's a woman at heart
And love him for that

Take a papaya

You like a guava?
Grab a banana
And a sultana
Rip 'em to pieces
With sticky fingers
Split the banana
Crush the sultana

All emotion
And with devotion
You put your hands in
What ya thinking?
What am I singing?
A song of seeds
The food of love
Eat the music
