It's been such a long week  
So much crying  
I no longer see a future  
I've been told when I get older  
That I'll understand it all  
But I'm not sure if I want to

Running into her arms  
Who's at the school gates  
She whispers that I'm a poor kid  
And granny takes me on her knee  
She tells me, I'm too sensitive  
She makes me sad

She makes me feel like an old man  
She makes me feel like an old man

They took the game right out of it  
They took the game right out of it

When, when I am a man  
I will be an astronaut  
And find Peter Pan

Second star on the right  
Straight on 'til morning  
Second star on the right  
Straight on 'til morning  
Second star on the right  
Straight on 'til morning

Dennis loves to look in the mirror  
He tells me that he is beautiful  
So I look too, and what do I see?  
My eyes are full  
But my face is empty

He's got a photo of his hero  
He keeps it under his pillow  
But I've got a pin-up  
From a newspaper  
Of Peter Pan

I found it in a locket  
I hide it in my pocket

They took the game right out of it  
They took the game right out of it

When, when I am a man  
I will be an astronaut  
And find Peter Pan

Second star on the right  
Straight on 'til morning  
Second star on the right  
Straight on 'til morning  
Second star on the right  
Straight on 'til morning

When you wish upon a star  
Makes no difference who you are  
When you wish upon a star  
Your dreams come true
