In the warm room  
Her perfume reaches you  
Eventually, you'll fall for her  
Down you'll go  
To where the mellow wallows

In the warm room  
She'll touch you with your mamma's hand  
You'll long to kiss those red lips  
When you do  
It'll feel like kicking a habit

She'll tell you that she'll stay  
Ooh, so you'd better barricade the way out  
She'll tell you, she's true  
She'll tell you, she loves you  
She's waiting in that warm room

In the warm room

She prepares to go to bed  
She'll let you watch her undress  
Go places where  
Your fingers long to linger

In the warm room  
You'll fall into her like a pillow  
Her thighs are soft as marshmallows  
Say hello  
To the soft musk of her hollows

She'll tell you that she'll stay  
Ooh, so you'd better barricade the way out  
She'll tell you she's true  
She'll tell you she loves you  
She's waiting in that warm room

In the warm room  
She's waiting in that warm room
