"My Lagan Love"

Visit "[My Lagan Love](#)" on MotoLyrics.com

When rainy nights are soft with tears
And Autumn leaves are falling
I hear his voice on tumbling waves
And no one there to hold me

At evening's fall he watched me walk
His heart was mine
But my love was young and felt
The world was not cruel but kind

Where Lagan's light fell on the hour
I saw him far below me
Just as the morning calmed the storm
With no one there to hold him

My loves have come, my loves have gone
And nothing's left to warn me
Save for a voice on the traveling wind
And a glimpse of a face at morning
