

English Translation:
Don't Fly Away

I am coming
Like a cat
Through the night so black.
You are waiting,
And I fall
Into your white wings, la-la-la...
And I fly,
And I sink
Like a feather.

If the great eyes of my God
Were not watching (over) me,
I would steal you away.

Don't fly away!
You have wings,
The power to leave me.
You fell
From the sky like an angel, la-la-la
And I'm afraid
That the sky
Will take you back.

If the great eyes of my God
Weren't watching (over) me,
I would steal you away.

I am coming
Like a cat
Through the night so black.

I beg you,
I beg you,
I beg you,
I beg you,
I beg you,
I beg you--
Don't fly
