Everything that you wanted
Everything that you love
Yeah
Will run away from you
Everything that you care for
Yeah - yeah
Show a little devotion
In my _____????? [No idea, ends with
'devotion']
No, the minute I saw your face
Is there anything that I can do?
Anything at all?
You'd tell me about it won't you?
Any way that I can help?
Just tell me about it
Won't you
So that I can do it
Anything at all
Just tell me what it is that you want
Then I can do it
Everything has an ending
And Everything has a tale to wag
-YEAH
ANSWER ME love [here I'm sure]
Everyone has a right to that
Yeah, oh yeah, yeah
Show me a little devotion
GIVEGET ALL MY DEVOTION ?????? [not sure]
I don't worry
about IT AT ALL ?????? [not sure]
And you know the minute I saw your face
Hey
Is there anything THAT I can do? ['That' missing]
Anything at all?
You'd tell me about it won't you?
IS THERE ANY WAY THAT I can help ['Is there'
mumbled]
Just tell me what it is
Then I can do it
Anything at all
Just tell me what it is that you want
Then I can do it

Anything at all
Just put the words together for me
Then I can do it
Anything at all
Just tell me what it is that you want
Then I can do it
