Out in the garden
There's half of a heaven,
And we're only bluffing.
We're not ones for busting through walls,
But they've told us
Unless we can prove
That we're doing it,
We can't have it all.
"I want it all"

He's gonna wangle
A way to get out of it.
She's an excuse
And a witness who'll talk when he's called.
But they've told us
Unless we can prove
That we're doing it,
We can't have it all.
"I want it all, and I want it all"
We can't have it all.
"I want it all"

"I caught a glimpse of a god, all shining and bright."

Suddenly my feet are feet of mud.
It all goes slo-mo.
I don't know why I'm crying.
Am I suspended in gaffa?
Not 'til I'm ready for you,
Not 'til I'm ready for you
Can I have it all?

I try to get nearer,
But as it gets clearer
There's something appears in the way,
It's a plank in me eye,
With a camel
Who's trying to get through it,
Am I doing it?
Can I have it all now?
"I want it all"

I pull out the plank and say
"thank ye for yanking me back
To the fact that there's
Always something to distract."
But sometimes it's hard
To know if I'm doing it right.
Can I have it all?
"I want it all"
Can I have it all now?
"I want it all"
Can have it all?
"I want it all"
I can't have it all

"we all have a dream... maybe."

Suddenly my feet are feet of mud.
It all goes slo-mo.
I don't know why I'm crying.
Am I suspended in gaffa?
Not 'til I'm ready for you,
Not 'til I'm ready for you
Can I have it all?

I won't open boxes
That I am told not to.
I'm not a pandora.
I'm much more like
That girl in the mirror.
Between you and me
She don't stand a chance of getting anywhere at all.
"I want it all"
Not anywhere.
"I want it all"
No, not a thing.
"I want it all"
She can't have it all.

"mother, where are the angels? I'm scared of the
changes."

Suddenly my feet are feet of mud.
It all goes slo-mo.
I don't know why I'm crying.
Am I suspended in gaffa?
Not 'til I'm ready for you,
Not 'til I'm ready for you
Suddenly my feet are feet of mud,
It all goes slo-mo.
I don't know why I'm crying
Am I suspended in gaffa?

Not 'til I'm ready for you
Not 'til I'm ready for you
Can I have it all now?
