"The Morning Fog"

The light
Begin to bleed,
Begin to breathe,
Begin to speak
D'you know what?
I love you better now.
I am falling
Like a stone,
Like a storm
Being born again
Into the sweet morning fog.
D'you know what?
I love you better now.

I am falling
And I'd love to hold you now,
I'll kiss the ground
I'll tell my mother
I'll tell my father
I'll tell my loved one
I'll tell my brothers
How much I love them.
