"The Red Shoes"

Visit "[The Red Shoes](#)" on MotoLyrics.com

Oh she move like the diva do
I said "I'd love to dance like you"
She said "Just take off my red shoes
Put them on and your dream'll come true"

With no words, with no song
You can dance the dream, with your body on
And this curve, is your smile
(Yeah woo, yeah woo woo)
And this cross, is your heart
(Yeah woo, yeah woo woo)
And this line, is your path
(Yeah woo, yeah woo woo)

Oh, it's gonna be the way you always thought it would
be
But it's gonna be no illusion
Oh, it's gonna be the way you always dreamt about it
But it's gonna be really happenin' to ya
Really happenin' to ya
Really happenin' to ya

Oh the minute I put them on
I knew, I had done somethin' wrong
All her gifts for the dance had gone
It's the red shoes, they can't stop dancin', dancin'

And this curve, is your smile
(Yeah woo, yeah woo woo)
And this cross, is your heart
(Yeah woo, yeah woo woo)
And this line, is your path
(Yeah woo, yeah woo woo)

Oh, it's gonna be the way you always thought it would
be
But it's gonna be no illusion
Oh, it's gonna be the way you always dreamt about it
But it's gonna be really happenin' to ya'

She gotta dance, she gotta dance
And she can't stop 'til them shoes come off

These shoes do, a kind of voodoo
They're gonna make her dance 'til her legs fall off

Feel your hair come tumblin' down
Feel your feet start kissin' the ground
Feel your arms are openin' out
And see your eyes are lifted to God

With no words, with no song
I'm gonna dance the dream
And make the dream come true
I'm gonna dance the dream
And make the dream come true

She gotta dance, she gotta dance
(Yeah)
And she can't stop 'til them shoes come off
These shoes do, a kind of voodoo
(Yeah)
They're gonna make her dance 'til her legs fall off
Call a doctor, call a priest
They're gonna whip her up like a helicopter

Really happenin' to ya
Really happenin' to ya

You gotta dance
You gotta dance
You gotta dance
Yes
