It wouldn't take me long  
To tell you how to find it  
To tell you where we'll meet

This little girl inside me  
Is retreating to her favorite place

Go into the garden  
Go under the ivy  
Under the leaves  
Away from the party

Go right to the rose  
Go right to the white rose  
(For me)

I sit here in the thunder  
The green on the gray  
I feel it all around me

And it's not easy for me  
To give away a secret  
It's not safe

Go into the garden  
Go under the ivy  
Under the leaves  
Away from the party

Go right to the rose  
Go right to the white rose  
(For me)

Go into the garden  
Go under the ivy  
Go under the leaves with me

Go right to the rose  
Go right to the white rose  
I'll be waiting for you

It wouldn't take me long

To tell you how to find it
