(what's that? )  
(its four, five, six, seven...)

You can't hear me.  
You can't hear me.  
You can't hear what Im saying.  
You can't hear what Im saying to you.

You watch the clock  
Move the slow hand.  
I should have been home  
Hours ago,  
But Im not here.  
But Im not here.

You can't hear me.  
You can't hear me.  
You can't feel me  
Here in the room with you now.  
You can't hear what Im saying.  
You don't hear what Im saying, do you?

Cant let you know  
What's been happening.  
There's a ghost in our home,  
Just watching you without me.  
Im not here.  
(you don't hear me.) [backwards]  
But Im not here.  
(you can't hear me.)  
But Im not here.  
(you don't hear what Im saying.)

Don't ignore, don't ignore me,  
Let me...[indecipherable]\*  
Don't ignore, don't ignore me,  
Let me...[indecipherable]  
Don't ignore, don't ignore me,  
Let me...[indecipherable]

We see you here. [backwards]  
We see you here.

We see you here.  
We see you here.  
We see you here.  
We see you here.  
We see you here.  
We see you here.

You don't hear me come in.  
Help me, baby! help me, baby! talk to me! listen to me,  
Listen to me! talk to me! help--  
(you can't hear me.) [backwards]  
Listen, baby! listen to me, baby! help me, help me,  
baby!  
Talk to me! talk to me! please, baby, talk to me!  
(you can't hear me.) [backwards]  
You wont hear me leaving.
