This chapter says
'Put it out of your mind'
Mmm, give it time

The fine purple
The purest gold
The red of the sacred heart
The grey of a ghost
The L of the lips are open
To the O of the host
The V of the velvet

Of all the people in the world
Why should I love you?
There's just something 'bout you
Of all of the people in the world
There's just something 'bout you
Of all the people in the world
Why should I love you?

Have you ever seen a picture
Of Jesus laughin'?
Mmm, do you think
He had a beautiful smile?
A smile that healed

Of all the people in the world
Why should I love you?
There's just something 'bout you
Of all the people in the world
There's just something 'bout you
Of all the people in the world
Why should I love you?

Of all the people in the world

The fine purple
The purest gold
The red of the sacred heart
The grey of a ghost
The L of the lips are open
To the O of the host

The V of the velvet
The E of my eye
The eye in wonder
The eye that sees
The I that loves you

Of all the people in the world

Of all the people in the world

Of all the people in the world
Of all the people in the world

Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?

Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?

Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?

Why should I love you?
Why should I love you?
Why should I love you?
Why should I love you?
