They forced it  
On the county school board  
And made a lot people mad  
They planned to bus  
Us off across town  
And things got really bad

That's when  
The private schools  
Were started  
And they opened in a rush  
But daddy said  
Come September  
You'll be riding bus

109 bus  
109 bus  
You'll be fine  
(I'll)  
(We'll)  
On bus 109

I met Lavonna Jones  
In gym class  
She said my hair  
Had no curl  
We played  
Basketball together  
But came  
From different worlds

Lavonna lived down  
In the projects  
Compared to her  
I had so much  
You know my life  
Was changed forever  
All because of bus

One day Lavonna  
Came to my house  
What people thought

Didn't matter to us  
When the lines  
Were drawn by colors  
We crossed  
The line on bus
