Saw the mark  
Of a Pharaoh's hand  
In the middle  
Of a field of sand  
Seven wonders  
Have come and gone  
Only one's  
Still hanging on

Watched a man  
In sixty-nine  
Take one small step  
For all mankind  
Stuck a flag pole  
In the ground  
Climbed back  
In his ship  
And came back down

Evolution's  
Almost through  
There ain't much left  
That we can't do  
Seems like a paradox  
You can't grow  
Corn in a box  
Still can't grow  
Corn in a box

They finally got  
This cloning down  
So we got  
A bunch of sheep  
That look alike  
Running round  
Well I can't wait  
To get my own  
She can go to work  
While I stay at home

Some things change  
Some things won't

The more we know  
The more we don't
