I'm going out
Into the free world
And farm
I'm gonna paint me
A big red barn
Don't wanna do
Nobody else no harm
I'm going out

I'm going out
Into the free world
And farm
Buy me a mule
Won't need no car
Don't wanna grow
Nobody else's corn
I'm going out
Into the free world

I'll put my hand
To the plow
Won't let them
Keep me down
I'm going out

I'm going out
Into the free world
And farm
Have me some chickens
In my front yard
Don't wanna fight
Nobody else's war
I'm going out

I'm going out
Into the free world
And farm
I'm gonna spin me
Some very fine yarns
Don't wanna be where
I can't see the stars
I'm going out

Into the free world

I'll put my hand
To the plow
Hold my head up proud
I'm going out
