If I ever get to heaven
Don't know what I'll find
Maybe streets of gold
Maybe peace of mind
Will there be water
Will there be wine
Milk and honey
On the other side

If I ever get to heaven
Don't know who I'll see
Maybe some old friends
Or family
Will you all be there
Waiting for me
Singing a song
About being free

I'm not thinking about
Leaving right now
Sometimes I wonder
Where I'm bound
There's no place
Like heaven I'm told
Wherever it is
You know I want to go

If I ever get to heaven
Don't know who I'll meet
Maybe kings and queens
Or beggars and thieves
Will there be lost souls
Who made their way home
Kind of like you
Kind of like me
