Fourth and Walnut  
Tenth and Main  
Anywhere I'm standing  
We are all the same

Every single beat  
Every single breath  
Every single day  
Fades into the west

Shining like the sun  
We are all shining  
Like the sun

Earth and heaven  
Diamonds and tar  
Hold a flower  
Touch a star

Sorrow fills my eyes  
Tears are gonna fall  
Down into the river  
Where they will all (be)

Be shining like the sun  
We are all shining  
Like the sun

Shining like the sun  
We are all shining  
Like the sun  
Standing on the corner  
Looking on  
Just want everyone  
To know (they're)

They're shining  
Like the sun  
We are all shining  
Like the sun

Shining like the sun

We are all shining  
Like the sun

Kingdom come  
Love be done  
Here on earth  
Just like in heaven

Shining, shining  
Like the sun  
We are all shining  
Like the sun

Shining like the sun  
Shining like the sun  
Shining like the sun
