Stars fell on Alabama  
Near the rocky shoals  
In a casket factory  
Where they found the soul

See that skinny boy there  
Drinking him a Coke  
Didn't we just see him  
On the Sullivan Show

Oh, we walk among stones  
Oh, we walk among stones

Some say it was the cotton  
And working side by side  
All those alluvial layers  
And time upon time

Or was it in the struggle  
And crying to the Lord  
Cause for one shining moment  
They made hit records  
For the world

And now we're left to wonder  
What happened to the sound  
Was it two kings dying  
That nailed the coffin down
