Kate Ceberano - Brave

Ooh ooh oo hoo och ooh hoo

ooh ooh ooh ooh

I could hear the calling, a million miles away

As my heart beats fills the silence, with words that I
can't say

my mother used to tell me, girl time for you will come

And so I sit back and I hold tight, my time has now
begun

Chorus

And I won't ever walk away

I'll just be brave and stay

Hold me till the end

And in your arms I'll rise up high

Ooh hoo I wait for tomorrow, remember yesterday

Ooh when I was scared of the darkness

And saying things I shouldn't say

But now my life has changed ooh

Just look what I've become

And so I sit back and I hold tight

My life has just begun

Repeat Chorus

Ooh hoo life has been fine as a child up till now

But I found I'm searching for something more

Yeah

Saxaphone Solo

Ooh hoo love it has no reason, don't need none to
survive

It's just a little flame in my heart, Ooh hoo keep me
burning bright

Repeat Chorus

Don't walk away (don't walk away)

Just be brave and stay (Don't walk away)

Hold me till the and (don't walk away)

And in your arms I'll rise up high
Haa haa haa haa haa rise up high
haa haa haa haa haa rise up high

Note

Ad lib and then ends on rise up high or
haa haa haa haa haa haa haa haa
