Kate Ceberano - Change

There's confusion
It's covering up the state of our lives
An illusion has been created but most of it's lies

Why do people tell us what they want us to hear
All this propaganda just stirs up mistrust and fear
Really we should know better, really we should know
better

Chorus
Change (change)
Got to bring more meaning to our lives
yeah ,yeah, yeah
(We've got to.... Change)
Got to bring more meaning to our lives

There's a mirror distorting the colour and shape of my
mind
A story's been put upon us just one of it's kind
Mmm
You don't need to believe in what they want you to see
All this propaganda stirs up mischief in me
Really we should know better, really we should know
better

Chorus
Change (Change)
Got to bring more meaning to our lives
Yeah, yeah, yeah
Got to get more meaning in our lives

Oooh, you don't need to believe in what they want you
to hear
Most of it's unnecessary and protects us from fear

Chorus
Got to change
Aaah, change
Yes, we got to (Change)
We got to change, yeah

Change
