I've been holding on, to a love gone wrong it's true, for
too long
The hurt it left inside, has made me wanna hide too
much and I do
I'm not afraid to be alone; the truth is I'm alright
But something has been missing from my life

[CHORUS:]

And maybe tonight
Maybe I'll fall
Maybe he'll crash through my walls
Maybe at last, love will come back, and take me deep
into it's arms
Maybe the heart that comes apart finally mends
Maybe tonight I'll finally fall in love again

Cried a lot of tears, faced a lot fears to get, right here
Every chapter ends, before the right one can begin
again, in the story of love

[CHORUS:]

And maybe tonight
Maybe I'll fall
Maybe he'll crash through my walls
Maybe at last, love will come back, and take me deep
into it's arms
Maybe the heart that comes apart finally mends
Maybe tonight I'll finally fall in love again

I'm ready for another chance, and right now that's
enough
I know I will survive what ever comes

Maybe tonight
Maybe I'll fall
Maybe he'll crash through my walls
Maybe at last, love will come back, and take me deep
into it's arms
Maybe the heart that comes apart will finally mend
Maybe this time, I'm gonna find love that never ends
(Maybe tonight) I'll finally fall in love again

(Maybe tonight) I'll finally fall in love again
Ooo yea, Maybe tonight, I'll finally fall in love, again
