Kate Ceberano - Young Boys are My Weakness

Chorus

Young boys are my weakness
I just like their sweetness
Hey boys let's mess around
I wanna party with you on the town
Some boys really make me swing
There ain't nothin' like a pretty young thing
Young boys are really mellow
You don't believe me then just try this fellow
(I know what to say when they call me on the phone)
You call me back when your momma ain't home

Chorus

Young boys weakness
I just like their sweetness
Hey boys let's mess around
I wanna party with you on the town
some boys really make me swing
There ain't nothin' like a pretty young thing

Chorus

Young boys are my weakness
I just like their sweetness
(pretty young thing what ya gonna do?)
I just wanna get me hands on YOU

Young boys you make me move
Young boys you set the groove
Young boys taste as sweet as honey
Don't taste as good as my money

Solo saxophone

Chorus

Young boys are my weakness
I just like their sweetness

Repeat to Fade
