You are the one  
You are my life  
You're like the sun  
You are the song  
Plays in my head, words that you said  
You're my only one  
More than words could ever say and ever  
mean, yeah, yeah

You're all I need  
You're my emotion  
I feel complete  
You are my only one  
And like no one else  
Glowdet likes a star  
And you're always my best friend  
You are my only one (only one)

You gave me hope, to carry on  
It can't be wrong, yeah, yeah  
When it feels right  
You are in my mind, you are my world  
You're my only one  
More than words could ever say and ever mean

You're all I need  
You're my emotion  
I feel complete  
You are my only one  
And like no one else  
Glowdet likes a star  
And you're always my best friend

You're all I need  
You're my emotion  
I'm so complete  
You are my only one  
And like no one else  
Glowdet likes a stars  
And you're always my best friend

You're my only one

In my arms I hold you near  
With my lips I kiss you dear  
Love you more the words can take  
More than words can say  
You are the one  
You are my life  
You're like the sun  
You are the song  
That play to my head  
With words that you said  
You are my only one  
More than words can ever say all of they mean  
Oh yeah yeah

You're all I need  
You're my emotion  
I feel complete  
You are my only one  
And like no one else  
Glowdet likes a star  
And you're always my best friend

You're all I need  
You're my emotion  
I feel complete  
You are my only one  
And like no one else  
Glowdet likes a star  
And you're always my best friend

You're my only one
