Beautiful day
Watching you as you awake
Morning stars in your eyes
Your hand in mine

The sky is lit up
Day will be richer than night
So don't think of yesterday
It's here and now

It's a...
It's a...
It's a new day
It's a...
It's a...
It's a new day

The beauty of you
Gives me my fortitude
Stronger than any dark cloud
Screaming out loud
(Hey, hey)
The sky is lit up
Day will be richer than night
So don't think of yesterday
It's here and now
(Hey, hey)

It's a... (it's a...)
It's a... (it's a...)
It's a new day (hey, hey)
It's a... (it's a...)
It's a... (it's a...)
It's a new day

It's a... (it's a...)
It's a... (it's a...)
It's a new day (hey, hey)
It's a... (it's a...)
It's a... (it's a...)
It's a new day
