I have a secret place  
Of my own  
That I visit whenever I need space to  
Spread my wings  
Where I drown my heart in daydreams  
Where I go and taste your wine again

Show me  
Show me love  
Show me everything I need to know  
Show me  
Show me love  
Show me everything I need to know

The gods of destiny they hold my love  
And listen to the wild inside  
Between the millions of skyscrapers  
I discover something  
Something real

Show me

Show me love  
Show me everything I need to know  
Show me  
Show me love  
Show me everything I need to know

How long will it be? How brave are you?  
Until I will feel Something real  
How much do I need? How brave are you?  
How far will I see?

Show me  
Show me love  
Show me everything I need to know  
Show me  
Show me love  
Show me everything I need to know  
Show me  
Show me love... everything I need to know
