"Sucker Love"

We both know
There's nothing more
To be said now
The spark is gone
The vultures waiting
With the devil smile
Our love forsaken
Conceiled in lies

Sucker love, baby
It is not worth keeping
So try another one
Sucker love, baby
It is not worth fighting
So try another one

We shared fears
And our delights
Climbed icy mountains
Committed crimes
Now I know I've been
As bad as you

So boy lets face it
Now we are through

Sucker love, baby
It is not worth keeping
So try another one
Sucker love, baby
It is not worth fighting
So try another
Try another one

Sucker love, baby
It is not worth keeping
So try another one
Sucker love, baby
It is not worth fighting
So try another
Try another

Try another
Try another one, love
