I can't go anywhere,
Without feeling strange
I can't see anyone,
Everything has changed

Cause every time I close my eyes,
It's you again, you again
And every time I hear your voice I,
Don't know what to do with myself

You, You, n da da da da da
Dum, you, n da da da da da
Dum, you, n da da da da da
Dum, you, n da da da da da

Tum time, valentine
Waiting for my chance
Easy chat up lines,
But do you dare to dance?

Cause every time I close my eyes,
It's you again, you again
And every time I hear your voice I,
Don't know what to do with myself

You, You, n da da da da da, dum
You, don't know what to do with my self
Dum, you, n da da da da da, dum
You, don't know what to do with myself

Die, apart or die
Die am I
Die, apart or die
Do I for my

Cause every time I close my eyes,
It's you again, you again
And every time I hear your voice I,
Don't know what to do with myself

Don't know what to do with myself
I don't know what to do... with myself
