Hey bitch touch this Dooo yooo ay yayayahyay!

You don't have to suck dick to succeed You don't have to suck dick to succeed You don't have to suck dick to succeed You don't have to suck dick to succeed

Standing there, all you do is stare You got no soul, and you just don't care About anything but yourself Did you know other people exist? Don't wanna hear about your life Hang out with you? I'd rather die! Please stop wasting all my time Your goddamn yourself hook all out

You don't have to suck dick to succeed You don't have to suck dick to succeed You don't have to suck dick to succeed You don't have to suck dick to succeed

Woke up on two sides of society To drag me down, you're gonna have to fight me! I don't wanna shake your dirty hand I don't wanna live in lala land Mumma said you're a bit naive Or just a bitch, who forgot to eat! No real rave and no release Your life is so fucking empty!

You don't have to suck dick to succeed You don't... wooahh! Hey baby Nice big lips Do you wanna touch it? Hey, hey Nice big lips, do you Want to touch it? Hey, hey Nice big lips, haah Do you, want to touch it? Hey, hey Nice big lips (ready?) Do you, want to touch it?

You don't have to suck dick to succeed You don't have to suck dick to succeed
