Ladies and Gentleman,  
There is a good service on all underground lines  
I am 35 hours, 2 trains, 2 planes away  
And If one more person looks through me  
I could disappear...  
It could be sweet release  
But I don't wanna cry  
Not here  
Ladies and gentleman, keep your luggage  
With you at all times...  
I am 35 hours and three bad movies away...  
And if one person coughs on me  
I'm gonna punch them in the face  
Well no, not really  
I'll just hold my breath, like always  
So long  
So far away  
So alone  
So far away  
Ladies and gentleman, mind the gap  
Between what I say and how  
I am 36 bad thoughts, and three glad ones away  
I wish, I wish, I wish I wasn't traveling alone  
The worst part is  
I can't leave myself at home...  
So long  
So far away  
I know what I want and I know when I want it  
I want it now  
I know what I want and I know when I want it  
I want it now  
I know what I want and I know when I want it  
I want it now!  
Now! Now!  
So long  
So far away  
So alone  
So far away
