Woah, wait a minute - not so quick
You go from zero to ticked off and losing it
Could somebody please tell me what just happened
then

Manage to always ruin the mood somehow
Well I'm over combing through the details now
Far too complicated to bother with it

All you people gather round and listen up
His Majesty the Baby has got something up
His bottle's empty and his nappy's come unstuck
All the kingdom must shut up

Forgive me if I'm speaking out of turn
But I'm not as young as I used to be
And you live and you learn
Forgive me if I'm pushing on my luck
But I've been through this a million times
And now I'll have no truck with it
No truck
No truck

Yeah we all got luggage and we all got scars
But I know for a fact it shouldn't be this hard
I've seen it on Dr Phil, I know all about it

And no I'm not mad, I just don't wanna play
I know the script and I hate that game
Think His Majesty the Baby is overtired

All you people gather round and listen up
His Majesty the Baby has got something up
His bottle's empty and his nappy's come unstuck
All the kingdom must shut up

Forgive me if I'm speaking out of turn
But I'm not as young as I used to be
And you live and you learn
Forgive me if I'm pushing on my luck
But I've been through this a million times

And now I'll have no truck with it
No truck
Now I'll have no truck
No truck
