I was sewing my leggings back together
But not very well
I was standing by the dashboard
When the plate it sort of just fell
Sometimes I think that i'm lucky
And other times I don't
When most of the time I just think

That i'm lucky that I don't have all the power in the
world so I can't fuck everything else up

I was making the dinner
When it sort of just burned
I was walking down the stairs
When I tripped, fell to the bottom and broke my foot
And it really fucking hurt

Well atleast I don't have all the power in the world so I
can't fuck everything else up

Well sometimes I think that you hate me
And other times I think you that you think i'm endearing
Well sometimes I just don't know you at all
Even though i'd like to think I was a bit of a know it all
Sometimes I just can't work you out
Even though i'd like to know what you were about

Well atleast I don't have all the power in the world so I
just can't fuck everything else up

Yeah atleast I don't have all the power in the world so I
just can't fuck everything else up
