I hate seagulls and I hate being sick
I hate burning my finger on the toaster and I hate nits
I hate falling over
I hate grazing my knee
I hate picking up the scab a little bit too early
I hate getting toothache
I hate when it's a piss-take
I hate all the mistakes I make
I hate rude ignorant bastards
and I hate snobbery
I hate anyone, who if I was serving chips wouldn't talk
to me

But

I have a friend, with whom I'd like to spend anytime I
can find
with ... I like sleeping in your bed
I like knowin' what is goin' on inside your head
I like taking time and I like your mind
and I like when your hand is in mine
I like gettin' drunk on the tunes by the beach
I like pickin' strawberries
I like cream-teas
and I like reading ... ghost-stories
and my heart skips a beat everytime that we meet
it's been a while and now your smile is almost like a
memory
but then you're back and I am fine 'cause you're with
me
and I'm in love with you
and I can't find the words to make it sound unique
but honestly you make me strong
I can't believe I've found someone this kind
I hope we carry on
'cause you're so nice and I'm in love with you
