If I wanna talk, I'll call
But in the mean time thanks for all
The public displays of affection
I know you're tryna to get my attention

Trashy, cheap talk magazines.
While I stay classy, you stain jeans
You're coming over all my friends
Oh, thank Heavens
It's the end

I don't wanna feel
I don't wanna feel
I don't wanna feel
I choose not to feel (x2)

I don't wanna feel
I don't wanna feel
But I gotta feel
I've got, I've got to feel (x2)

If I wanna talk, I'll call
But in the mean time thanks for all
The public displays of affection
I know you're tryna to get my attention

Trashy, cheap talk magazines
While I stay classy, you stain jeans
You're coming over all my friends
Oh, thank Heavens
It's the end

Your ideals are just a dress code
I'm a feminist, but you're still a whore
And your ideas are as thicker than water
But don't forget I'm just someone's daughter

(Inaudible) â€¦ pretty puppy

Understand me, take me fully!
I don't need your acceptance
Your self-loathing, self-obsession

I don't wanna feel
I don't wanna feel
I don't wanna feel
I choose not to feel (x2)

I don't wanna feel
I don't wanna feel
But I gotta feel
I've got, I've got to feel (x3)

Ooh-ooh.
Ooh-ooh-ooh-ooh (x2)

I will not sit down and wait
I can not predict my fate
Shouldn't wait for fate to take, take and take, I sit and wait
I don't want to wait, I don't care for fate
I'm not giving you what you expect
I won't forgive but I'll forget

Well, not to come to expectations
I am not for your attention
Public displays of affection
Your indie bullshit I can see, I can see it's all manipulation

I don't wanna feel
I don't wanna feel
I don't wanna feel
I choose not to feel (x2)

I don't wanna feel
I don't wanna feel
But I gotta feel
I've got, I've got to feel (x2)

(inaudible) â€¦ genesis

(inaudible) rainbow fits

Can't, can't get my revenge

Sweet, sweet candy canes
Butterflies, girly-girl
Blue guitar
Well, don't judge me world!
Have you been a naughty girl?
Well, do you hear what I just heard?

I don't wanna feel
I don't wanna feel
But I gotta feel
I've got, I've got to feel (x2)
