Ive got a secret I cant tell you
Ive got a secret I cant tell you
Ive got a secret I cant tell you
Ive got a secret I cant tell you

you would charge
you would charge
you would charge
you would charge

ive got a secret I cant tell you
Ive got a secret I cant tell you
Ive got a secret I cant tell you
Ive got a secret I cant tell you

you would charge

I cant be friends you cant pretend
you dont know me
