I want to say my will is strong and my kingdom great
I want you to say you have no power over me

How did the sky get so dark
Where is the sun today?

When will your maze fall apart?
When will your maze fall apart?
When will you open your heart?

Trying to let go
Trying to move on
Is this really the end

I've been so busy
So distracted
But I always came back to the same place

How did it get so black and white?
How did it get so black and white?
How could you forget?

Don't talk to me about time
Don't talk to me about fixing
Don't talk to me about time
'Cause I don't wanna hear it

Trapped in the labyrinth
And I just can't get there
And I tried, and I tried
And I tried, and I tried
And I tried, and I tried
For you
But that's not my place
That's not my love

When will your maze fall apart?

When will your maze fall apart?

For you

When will your maze fall apart?

When will your maze fall apart?

For you

When will you open your heart?
