That boy behind the curtain was no one that I trusted  
I didn't like his face I didn't think he was cute  
But I kissed him just to get some information  
I used my body and his desperation

We jumped up out of there, yeah we were chased  
And I'm telling you that that time was a scary place  
But I would do it all again the same yeah, I would do it  
all again the same

And later on I'll cry my stupid eyes out  
Later on I'm crying like a baby  
And yeah baby don't get so disappoint  
I am not what you anticipated  
Later on I'll cry my stupid eyes out  
Later on I'm crying like a baby  
And yeah baby don't get so disappoint  
I am not what you anticipated

I wish that I did not make the decisions  
I'll never get back in to that  
I ripped my hair out of my package  
Cause I felt bad  
I let him down  
I didn't mean to make him sad

And later on I'll cry my stupid eyes out  
Later on I'm crying like a baby  
And yeah baby don't get so disappoint  
I am not what you anticipated  
Later on I'll cry my stupid eyes out  
Later on I'm crying like a baby  
And yeah baby don't get so disappoint  
I am not what you anticipated

One  
Two  
Three  
Four  
Five  
Six  
Seven

Eight  
Nine  
Ten  
Eleven

And later on I'll cry my stupid eyes out  
Later on I'm crying like a baby  
And yeah baby don't get so disappoint  
I am not what you anticipated  
Later on I'll cry my stupid eyes out  
Later on I'm crying like a baby  
And yeah baby don't get so disappoint  
I am not what you anticipated

I am not what you anticipated
