I just can't stop thinking of you  
I really gonna, really gonna think about you  
I just can't think about you  
Even though I want to

Oh oh oh oh [x4]

Don't tell me who to be  
I don't care about reality  
I'm livin', yeah, just for me  
And not for what you might write  
About my head and body

Oh oh oh oh [x4]

To leave behind is not to die  
But we're all dying on our own  
But we can die with love in our hearts  
And theirs

Oh oh oh oh [x4]

I am angry, confused, frustrated  
Tired, I am alone  
On this one  
Image conscious  
Image freak  
The mirror lies to you and me  
You are alone  
On this one

Oh oh oh oh

Where'd they go?  
Yeah, I don't know

Oh oh oh oh

I've changed my mind  
I've changed my face  
Yeah, I change all the time  
So give me space

Oh oh oh oh  
Oh oh oh oh  
Where'd they go?  
I don't know  
And where'd they go?  
Well, I don't know  
I'll never know  
Where they go  
Oh oh oh  
Oh oh oh  
Never know
