Will you marry me sir  
Oh tether me down  
For I am too free  
Will you walk hand in hand with me  
For I do carry a child by thee

Oh madam, I'll not marry thee  
For I'm married away  
And I'll always be  
I'll not walk hand in hand with thee  
Even though you've a child by me

Oh sir, heartbroken I'll be  
Is she finer than I  
Is she tall and lean  
Is she the rarest you've ever seen  
Of your own heart is she the queen

Oh madam, she's twenty of thee  
She's tall and she's lean  
How she smiles on me  
She's the rarest, she is my queen  
I'll never care for a girl like thee

Oh sir, than shamed am I  
I'll run to the fields  
And it's there I'll die  
There God's Angels will around me fly  
There they'll care for my child and I
