Ya hear me shout when no one's about,  
You find me where I can't be seen.  
I feel the air flowing for life's in full swing,  
So tell me why I cannot breathe.

And here I am falling,  
Oh why am I falling.  
Take me to where I belong.  
I'm standing here falling,  
Before you falling.  
If it weren't for your wings I'd be gone.

Time moves on and time won't be long,  
In time I will fear not the day.  
I'm endlessly knowing that you'll never know  
What I might want you to say.

And here I am falling,  
Oh why am I falling.  
Take me to where I belong.  
I'm standing here falling,  
Before you falling.  
If it weren't for your wings I'd be gone.

My back it aches, my body it breaks
