High on a hill there's a sweet bird calling
All come together are you in or are you out
He sings of a time when the sky was falling
All come together and be in no doubt

Oh darlin' let's go over now the devils here
Oh darlin' lets go over now the devils here
And oh darlin, oh my darlin' be strong and be proud
Oh darlin' then you'll see the devil will go around
Round, round

High on a hill and way up yonder
All come together are you in or are you out
Eleventh day was hell but the heart grows stronger
All come together and be in no doubt

Oh darlin' let's go over now the devils here
Oh darlin' lets go over now the devils here
And oh darlin, oh my darlin' be strong and be proud
Oh darling, the you'll see the devil will go around
Round, round

Out on a field where the waters fallen
All come together are you in or are you out
Theres a bird on a hill and he's sweetly calling
All come together and be in no doubt

Oh darlin' let's go over now the devils here
Oh darlin' lets go over now the devils here
And oh darlin' oh my darlin' be strong and be proud
Oh darlin' the you'll see the devil will go around
Round, round

High on a hill there's a sweet bird calling
All come together are you in or are you out
He sings of a time when the sky was falling
All come together and be in no doubt

Oh darlin' let's go over now the devils here
Oh darlin' lets go over now the devils here
Oh darlin' lets go over now the devils here

Oh darlin' lets go over now the devils here
And oh darlin' oh my darlin' be strong and be proud
Oh darling, then you'll see the devil will go around
Oh darlin' oh my darlin' be strong and be proud
Oh darling, then you'll see the devil will go around
Round, round
