I once was a sailor, a young man and brave  
Da da dum, da da dum dee  
My nights were once sleepless,  
My peace I would crave  
Carry me home to the sea

Da da dum day, da da dum dee  
Drift away sailor boys on the deep sea  
Worry no more for you're safe now with me  
Rest in my arms and my sweet melody

One night as I'm stood on the deck in the rain  
Da da dum, da da dum dee  
I heard a sweet voice and she's singing my name  
Carry me back to the sea

Chorus  
Oh rock me so gently now ocean so deep  
Da da dum, da da dum dee  
I wish I was back, cause I think I can't sleep  
Carry me home to the sea

Chorus
