VERSE 1

VERSE 1

You are my love, you take me high  
You are my love, you take me high  
You are my sunshine in my sky  
You are my sunshine in my sky  
I feel this love, it's deep inside  
I feel this love, it's deep inside  
I still see the way you smiled at me  
I still see the way you smiled at me  
I still see the way you looked into my eyes  
I still see the way you looked into my eyes  
And please don't ask me why  
And please don't ask me why  
Why I have this magic feeling in my heart for you  
tonight  
Why I have this magic feeling in my heart for you  
tonight  
I cannot hide  
I cannot hide

REFRAIN

REFRAIN

You are my love, you take me high  
You are my love, you take me high  
You are my sunshine in my sky  
You are my sunshine in my sky  
I feel this love, it's deep inside  
I feel this love, it's deep inside  
You are my love, you take me high  
You are my love, you take me high  
You are my sunshine in my sky  
You are my sunshine in my sky  
I feel this love, here in the night  
I feel this love, here in the night

VERSE 2

VERSE 2

I still see the way you've cried with me  
I still see the way you've cried with me  
I still see the way we're dancing in the night  
I still see the way we're dancing in the night

And please don't ask me why  
And please don't ask me why  
Why I have this magic feeling in my heart for you  
tonight  
Why I have this magic feeling in my heart for you  
tonight  
I cannot hide  
I cannot hide

You are my love (x3)  
You are my love (x3)  
?
