You Are My Love.
You take me high!
You are my sun-
Shine in my sky.
I feel this love.
It's deep inside (inside).

I still see the way you smiled
At me.
I still see the way you looked into my eyes,
And please don't ask me why --
Why I have this magic feelin' in my heart for you
tonight.
I cannot hide.

You Are My Love.
You take me high!
You are my sun
shine in my sky.
I feel this love.
It's deep inside (inside).

You Are My Love.
You take me high!
You are my sunshine in my sky.
I feel this love.
Here in moonlight.

I still see the way you've cried (the way you've cried)
With me.
I still see the way we're dancin' in the night,
And please don't ask me why --
Why I have this magic feelin' in my heart for you
tonight.
I cannot hide.

You Are My Love.
You take me high!
You are my sunshine in my sky.
I feel this love.
It's deep inside (inside).

You Are My Love...
You Are My Love!
You Are My Love...
You Are My Love!

You Are My Love.
You take me high!
You are my sunshine in my sky.
I feel this love.
It's deep inside.
