The way that you make me feel... I'm so aliiiiive
It's the way that you make me feel... I'm so aliiiiive

I know that you wanna undress my emotions
Revealing things that are unshown... Oh wow wow
I'm lost in perfection
Wrapped in adoration
Empowering all I ever know... Oh wow wow

Cause love is free
And it's beautiful
Run for me
Make life colourful

It's the way that you make me feel
I'm so alive... Aliiiiive
It's the way that you make me feel
Aliiiiive

Switch me on desire
And touch my body
Awaken al my senses
And energize me
Ooh la la la... Alive
Ooh la la la

Deep I'm in your circle
I can't run from your call
Show me that you feel it to... Oh wow wow

Cause love is free
And it's beautiful
Run for me
Make life colourful

It's the way that you make me feel
I'm so alive... Aliiiiive
It's the way you make me feel
Aliiiiive

Switch me on desire
And touch my body

Awaken al my senses
And energize me
Ooh la la la... Alive
Ooh la la la

Switch me on desire
And touch my body
Awaken al my senses
And energize me

Switch me on desire
And touch my body
Awaken al my senses
And energize me
(I'm so alive)

It's the way that you make me feel
I'm so alive... Aliiiive
It's the way that you make me feel
Aliiiive

Switch me on desire
And touch my body
Awaken al my senses
And energize me
Ooh la la la... Alive
Ooh la la la

Switch me on desire
And touch my body
Awaken al my senses
And energize me
(I'm so alive... Aliiiive)

Switch me on desire
And touch my body
Awaken al my senses
And energize me
(I'm so alive)
