In your eyes
In your eyes

I feel the wind rushing through my hair
I've got the sun down on my face
I reach for the future, I won't look back
I wanna be free and leave it all behind

And I long to see
Long to see the sunlight in your eyes
In your eyes

I close my eyes and sense a mystery
The scent of flowers in the air
I've seen all the beauty in everything
Knowing it's real, I feel so alive

And I long to see
Long to see the sunlight in your eyes
In your eyes

And I long to see
Long to see the sunlight in your eyes
In your eyes

In your eyes
In your eyes
