This road is anything but simple,
Twisted like a riddle, I've seen High and I've seen low.
So loud, the voices of all my doubts,
Are telling me to give up, pack up and leave town.
Even so I had to believe, Impossible means nothing to
me,

So can you lift me up?
And turn the ashes into flames,
Cause I have overcome more than words will ever say,
And I've been given hope that there's a light on up the
hall,
And that a day will come when the fight is won,
And I think that day has just begun.

Somewhere, yeah everybody starts there,
Your counting on a small prayer, lost in a nightmare.
But I'm here, and suddenly it's so clear,
The struggle through the long years,
It's taught me to outrun my fears.
And everything that's worth having,
Comes with trials worth withstanding.

So can you lift me up?
And turn the ashes into flames,
Cause I have overcome more than words will ever say,
I've been given hope that there's a light on up the hall,
And that a day will come when the fight is won,
And I think that day has just begun.

Oh lift me up, Oh lift me up,
Oh lift me up, Oh lift me up,
Oh lift me up, Oh lift me up,
Oh lift me up, Oh lift me up,
Oh lift me up, Oh lift me up,
Oh lift me up, Oh lift me up,

Down and out is overrated,
I need to be elevated,
Looking up is not enough,
I would rather rise above, Oh, Oh, Oh.

So can you lift me up?
And turn the ashes into flames,
Cause I have overcome more than words will ever say,
I've been given hope that there's a light on up the hall,
And that a day will come when the fight is won,
And I think that day has just begun.
Lift me up, lift me up, lift me up.
