Don't ever hide
Believe inside
It's all I hold on to
Never forget
Sans regret
Or you won't find the real you

If you know what I mean say, Ayo!
If you feel what I feel say, Ayo!
'Cause things can only get better

If you're riding the club say, Ayo!
If you're banging the drum say, Ayo!
We can all stand together

[Chorus]

One life
One love

All you need in life is one love

One life
One love

All you need in life is one love

The air I breathe
Is pure and clean
And you should breathe it too
Just live the dream
Raw energy
It's taking over you

If you know what I mean say, Ayo!
If you feel what I feel, Ayo!
Cuz things can only get better

If you're riding the club say, Ayo!
If you're banging the drum say, Ayo!
We can all stand together

[Chorus]

One life
One love

All you need in life is one love

One life
One love

All you need in life is one love

[Bridge]

One love
One life
Everything will be alright

One love
One life
Everything will be alright

[Chorus]

One life
One love

All you need in life is one love

One life
One love

All you need in life is one love
