Just take a look around you
You and I have found truth
La luz hoy brillara
De una forma especial
So tell me do you long to

Taste my fire

I'm coming up sun
I'll never be done
Yes, tonight we ride
No digas que no
A solas tu y yo
Y todo ardera

So take a look beside you
My love is on the road to
Lugar para escapar
Sin nada que ocultar
So tell me do you long to

Taste all me fire

I'm coming up sun
I'll never be done
Yes, tonight we ride
No digas que no
A solas tu y yo
Y todo ardera

I'm coming up sun
I'll never be done
Yes, tonight we ride
No digas que no
A solas tu y yo
Y todo ardera

Do you feel serenity?
Tell me do you feel me floating near?

Taste my fire

I'm coming up sun
I'll never be done
Yes, tonight we ride
No digas que no
A solas tu y yo
Y todo ardera

I'm coming up sun
I'll never be done
Yes, tonight we ride
No digas que no
A solas tu y yo
Y todo ardera

I'm coming up sun
I'll never be done
Yes, tonight we ride
