Happy days pass by much faster  
As every single moment that I spent with you  
Somehow we let our feelings die  
Slipping away without a try  
Bring me back to when we met  
Let's start all over  
Chorus  
If I could turn back time I know I'd  
Do it again - Do it all again, oh  
'Cause you were the summer of my life  
Only if I  
Could turn back time I know I'd  
Give it again - Give my love again, oh  
Memories that keep me warm inside  
Only if I  
Could seize yesterday tomorrow  
And say the things  
You've never heard from me before  
I could have loved you once again  
Only a heart cannot forget  
Bring me back to where we met  
Let's start all over  
Chorus
